Leader All

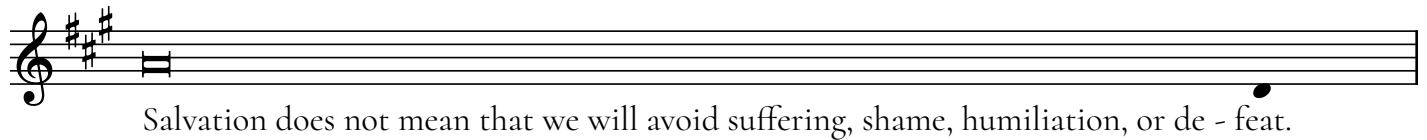

The Lord be with you. And also with you.

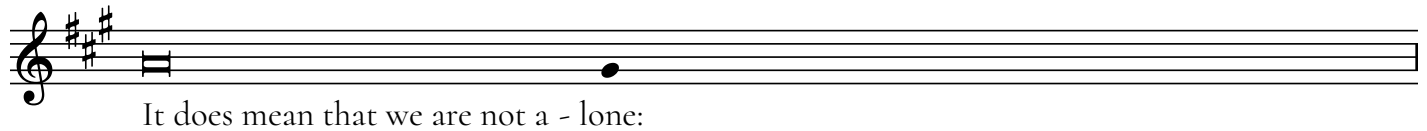

Leader

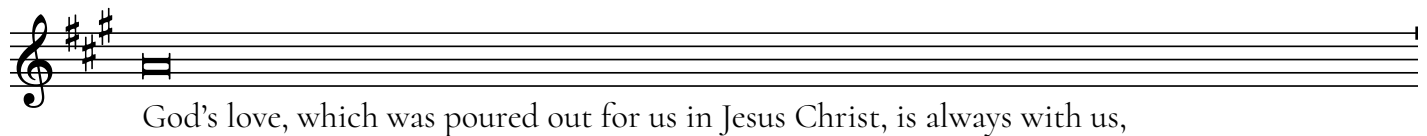

A reading from the sermons of Pauli Mur - ray.

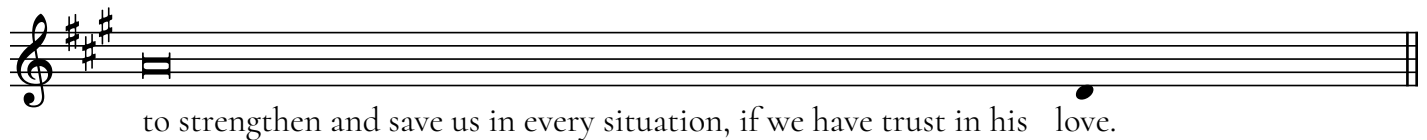

Salvation does not mean that we will avoid suffering, shame, humiliation, or de - feat.

It does mean that we are not a - lone:

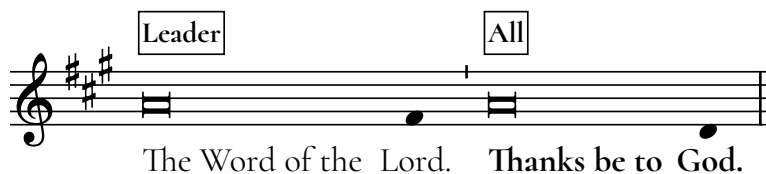

God's love, which was poured out for us in Jesus Christ, is always with us,

to strengthen and save us in every situation, if we have trust in his love.

Leader All

The Word of the Lord. Thanks be to God.
